

RESTORATION SERVICES

Resurrect your treasured photos from the ravages of time, enjoy their beauty, and share them with loved ones.

You can now display and share beautiful reproductions of your ancestors while protecting the original heirloom in archival-safe storage.

Expertly restored prints are durable and perfect for family albums and framing.

Reversible Damage

- » Darkened, faded, or yellowed
- » Scratches, tears, creases
- » Missing or obscured pieces
- » Crayon and pen marks
- » Mold, blotches, stains

Digitally restored images are ideal for electronic archiving, posting on web sites, and sending to loved ones – keeping your history alive.

Restore and archive your images now before they deteriorate more, are damaged further, or even lost or destroyed.

How to Restore Your Photographs

PhotoTree.com provides a **FREE Restoration Kit** to help guide you through the steps to restoring and reproducing your old photographs. This kit is available directly from PhotoTree.com at genealogy conferences, by U.S. mail on request, or available as an electronic download.

The free **Restoration Kit** consists of:

1. Restoration Order Form
2. Description of restoration services
3. Shipping tips and guidelines
4. Protective image sleeves (not available via download)
5. Reinforced inside envelope (not available via download)
6. Priority mailing envelope (not available via download)

(The online Restoration Kit can be found at: www.phototree.com in the *Restoration* tab.)

Contact us and request a Restoration Kit:

info@phototree.com

All restorations are custom projects with personal attention given to each step. You will be given a cost and time estimate for your project before restoration is begun.

You will receive a custom photographic enlargement of the restored image (your choice of size) ready for framing, and a CD with high resolution files of the restored image. Original photographs are returned in original condition.

PhotoTree.com is located in the greater San Diego, California area, with customers across the U.S. All shipments with original photographs are conducted using tracking services and insurance provided by express carriers or the U.S.P.S.
